Newsletter – 1st Quarter, 2012

March 27, 2012

Dear LCCA members, families, and friends:

First of all, we thank all of you for your trust and support in electing JueYeZi Rebecca Reinhardt to be the LCCA President for the next two years. Soon afterwards YeZi selected the board members and the board had its monthly meeting on March 6. Many people on the LCCA board have a very busy professional job but they are volunteering their time and working diligently to serve our members and promote Chinese culture under YeZi's leadership. The board discussed the plan of events for the whole year at the meeting.

LCCA board has decided to send out quarterly newsletters by e-mail and also publish it on LCCA website. You all are welcome to visit LCCA website at www.thelcca.com for current and archive information. You can also subscribe to the website to receive an automatic email notice each time the website is updated by entering your email address at the lower right corner of the website.

Calendar of Events for 2012

Coming in April, LCCA and CSSA will give a seminar on job interview skills for people who are looking for jobs in the USA.

On April 12, UNL Confucius Institute will hold a concert in Lincoln for the public by Judy Luan Li, who is a LCCA member and the musical teacher of the Confucius Institute. The attached flyer contains detailed information of this concert.

Around end of May or early June, LCCA will have a Dragon Boat Festival potluck for all members and families. This has been a popular event in the past.

LCCA will collaborate with UNL Confucius Institute to hold a culinary competition on September 29. Last year LCCA had a very successful food festival / cooking contest and this year we are going to do it again with Confucius Institute. This event will be larger in scope than last year. We hope to have a wide range of dishes to popularize the Chinese cuisine and Culture.

In order to celebrate LCCA's 10th anniversary, LCCA is developing events for October and November. LCCA website will open up a special column and publish articles and pictures to showcase the growth of LCCA in the last 10 years and provide handy service lectures and fun activities to LCCA members and friends.

Treasurer's Note

We have been working hard to keep our operating cost low and provide our members with various activities at the same time. Our account balance as of today is \$2,171.22 including membership we received at the Chinese Lantern Festival Lunch Party on February 11 and donations from some organization and individuals. Thanks to all who paid the membership dues. Your financial support is vital to our organization. We simply cannot move forward without your support. Due to many reasons, membership receipt for this year has decreased from last year. For people who did not have a chance to come to the Lantern Festival Lunch Party, you can mail your membership dues for 2012 to LCCA's treasurer Duanduan Wang at:

2517 Wilderness Ridge Circle
Lincoln, NE 68512

Our membership dues have remained the same for years and are still \$20/family, \$10/individual, \$5/student. Please make your check payable to LCCA. It's never too late to support your LCCA.
